Fungicide Season

Are you looking for some fungicide? Needing a Tar spot targeted product or even need some insecticide to add into your formula and cut down on the number of passes in the field? We can get you covered!

Cover crops

Are you looking for a cover crop program that fits your needs? We can send you quotes on many different varieties! We also can get you a program that works with H2Ohio, if you are needing to meet those requirements.

Summer Discounts for Precision Planting

Place your order with us today for your DeltaForce system to receive a rebate of \$50/row. This rebate only lasts til 7/30/23!

To get other quotes on parts this month, call Steve and he can give you the information today.

Tar Spot

Do you have signs of Tar Spot in your field?

Tar Spot is a disease we are seeing more and more of. Watch this video to see how you can determine if you are seeing it in your field!

<https://youtu.be/b40txuWTyfo>

If you are looking for a fungicide that can also target Tar Spot, we have what you need!
